

Bring your team to the Canadian Baseball Hall of Fame and Museum

We would love to host your baseball team at the Canadian Baseball Hall of Fame in St. Marys, Ont.

Our picturesque 32-acre site is home to four well-groomed ball fields (plus one additional field beside us), as well as our newly renovated museum that's packed with artifacts that tell the story of Canada's rich baseball history. It's the perfect setting to bring your team for a unique and memorable experience both on and off-the-field.

You can book your team for an unforgettable day on the site that could include ball games, a barbecue, a museum tour, a baseball movie and a refreshing swim in St. Marys' nationally-renowned quarry. This is an opportunity for your squad to not only play on some of the finest fields in Canada, but to be learn about – and be inspired by – the stories of Canadian baseball greats in our museum.
